

YMCA Camp Cosby Financial Assistance/Scholarships

FAQ- Frequently Asked Questions

What Documents are Required for Financial Assistance?

Two of the following:

- W-2 Form for the preceding year or proof of no income
- Income tax form for the preceding calendar year
- Two of your most recent pay stubs from your employer

Do I Apply Per Camper or Per Family?

Only one application per family is needed, even if applying for multiple programs. Financial documents are required.

Can I Register my Campers for Summer Camp Before Submitting a Scholarship Application?

Yes, please do! As long as you can pay the deposit of \$25 per camper, you may register at any time. If you can only afford to register 1 child at a time, please register teen campers first, as their housing space fills quickly each season.

When is the Deadline for Applying for Financial Assistance?

All Financial Assistance applications must be submitted online through your [CampInTouch portal](#). A non-refundable deposit of \$25 per camper is required at the time of enrollment to secure your camper's spot for 30 days. **All required documentation must be completed within 30-days of submitting your camper's registration.** Failure to submit the necessary documents within the allotted timeframe will result in your camper being unenrolled, and the application process will need to be restarted.

How Long Does the Application Process Take?

You will receive a confirmation email upon application receipt. Please allow 10 business days from that date to receive your award letter. If you don't get confirmation from cosby@ymcabham.org, please contact us promptly. Incomplete applications not completed within 30 days will not be processed.

Questions? Email Us at Cosby@ymcabham.org or Call 256-268-2007.
